

The Gordon Moody Association is a charity (registered charity number 1124751) providing a service for people who have experienced problems with gambling. Founded in 1971 by the Reverend Gordon Moody as Gordon House Association we have been providing residential counselling for people in need for 40 years. We also offer a programme of support for former residents and a global on-line support network for gamblers in more than 35 languages.

We are seeking new Trustees to join the Board and to provide leadership for the charity. Do you have an interest in 'people' services and skills that you can offer to the work of a highly respected counselling service to problem gamblers? Do you have legal, financial, HR, communications, charity governance or other relevant expertise to bring to the Board? If so we would like to hear from you.

Should you have any questions please contact Elaine Smethurst, our new Managing Director. She can tell you more about the time commitment required and, if you wish, arrange for you to visit one of the residential units, meet key staff and discuss the role of Trustees with one of our board members. You can also read about our work at www.gordonmoody.org.uk or www.gamblingtherapy.org

Thank you for your interest in the Gordon Moody Association, I hope that you will share our passion for improving the lives of addicted gamblers and those of their friends and families and will join us. Please email us a copy of your CV and a statement of not more than 500 words describing the skills you will bring and the reasons you would like to get involved. Please also provide contact details for two referees.

Please email to elaine.smethurst@gordonmoody.org.uk.
